MEMORANDUM FOR: AD/Communications

SUBJECT : [REDACTED]

25X1A5a1

25X1A5a1

It has been brought to our attention that you will test [REDACTED] now being developed by AFEAY-D-804, and that experimental models will be ready in the Spring. We are told that a cable is now in place between [REDACTED] and "Q" Building, and feel that it would be very helpful if this machine might be tested between O/CI and this Office, provided other plans have not already been made.
